Offer a diverse collection comprised of books and ebooks, along with other resources, to help researchers succeed. According to a 2017 ProQuest survey, nearly 100% of faculty recommend ebooks to their students and almost 80% use ebooks in their research.

CONTENT DIVERSITY IS CRITICAL.

In 2017, ProQuest asked researchers from around the globe what types of resources they use in their research. Two out of three respondents indicated they use every content type with books and ebooks being the most popular.
